

School Prayer

Good morning dear Father,
this greeting I say,
and I ask you to bless me
all through the day.
I hope you'll be pleased
with all I do, for most of all
I want to please you.

Jesus, master, kind and good,
help me to do the things I should.
Make me loving, patient too,
always trying to be like you.

Please send me you blessing from above,
upon my family and all I love,
and with all of us here I pray,
please Lord, give us a happy day.
